

Existing & Proposed Cross Sections

¹Developers, in coordination with CDOT and the City of Loveland, have partially built SH 402 improvements between US 287 and St. Louis Avenue (CR 13C), improving the north or westbound side under a Categorical Exclusion dated September 18, 2003. This interim condition will remain until the development on the south side of SH 402 is completed at a future date.
