

Public Notice
Colorado Department of Transportation
SH 402 from US 287 to the I-25 Interchange
Environmental Assessment and Draft Section 4(f) Evaluation
(EA Document) Availability and Upcoming Public Hearing

Federal Highway Administration (FHWA) and Colorado Department of Transportation (CDOT) have completed an environmental study for the existing SH 402 roadway from US 287 to I-25.

Preferred Alternative

FHWA/CDOT recommend the widening of the existing roadway from two to four lanes. The Preferred Alternative is labeled the Meander Alternative in the environmental assessment (EA) document. More information on the Preferred Alternative, its environmental impacts, and associated mitigation is included in the EA document.

EA Document Availability – July 31, 2007

Beginning July 31, 2007, the document will be available at the locations listed below for a review and comment period ending August 29, 2007:
